Erratum: Perturbation theory for the formation energy of

solitons and polarons in mixed-valence linear-chain complexes

[Phys. Rev. B 44, 13260 (1991)]

N. Kuroda, M. Kataoka, and Y. Nishina

(1) The numerical factor 3 in the numerator of the sixth term

$$\frac{3t^2}{(-13\Delta/8)+U-3V}$$ on the right hand side of Eq. (25) must be

replaced by 2, and the term becomes $$\frac{2t^2}{(-13\Delta/8)+U-3V}.$$

All the theoretical curves shown in Figs. 10–15 are obtained by

using this correct formula.

(2) $S_{\pm}^{II T}$ in Table I should read $S_{\pm}^{II(T)}$.

(3) $\mathcal{E}_p$ in the second sentence above Fig. 2 and in the fourth

and fifth sentences below Eq. (26) should read ε_p.

(4) $\mathcal{E}(\tilde{u}_1)$ in Eq. (A1) should read $\varepsilon(\tilde{u}_1)$.
